

ARCHBISHOP TENISON'S C E HIGH SCHOOL

School National Curriculum Assessment Data 2012 (as at 17 July 2012)

It is a Department for Education requirement that we should report to parents of Year 9 pupils comparative information about the national curriculum levels of attainment of pupils of the same age in the school, and about the national curriculum levels of attainment in Core subjects (in the previous year) of pupils of the same age nationally (England). The relevant figures are given below. In using the national statistics, it should be remembered that they include independent, selective and partially selective schools.

These tables show the percentage of Archbishop Tenison's Year 9 pupils with Teacher Assessment at each level in 2012. The number of pupils in Year 9 was 99.

Please note that figures may not total 100% because of rounding.
