Frantic Assembly Workshop – 8th September 2017

The Drama Department was delighted to welcome the world renowned theatre company Frantic Assembly to school last week. Theatrical devising of a piece of original performance is now a significant part of GCSE and A Level specifications, so we were keen for our students to experience how an experimental and highly successful company approaches this discipline.

Frantic Assembly are famous for their incredible ensemble work and physical theatre, which draws from disciplines across theatre, ranging from the Ancient Greek theatrical Chorus, through Brechtian political theatre and avant garde dance work.

The students worked really hard all day and were challenged to be creative, highly focused and quickly responsive to new challenges and ideas. I and Miss Storey were delighted to see them developing these skills so swiftly and with such intelligence and creativity.

In lessons on Friday, it was interesting to see how well pupils in Year 11 were incorporating their new skills into their devising work.

Well done to all involved and a big thank you to Steve from Frantic Assembly.
