

**Year 7 catch up funding  
2016-17 Academic Year**

As of March 13<sup>th</sup> 2017 the school has yet to receive any year 7 catch up funding from Croydon for the current academic year.

It is anticipated by Croydon Finance that a funding adjustment will take place on or about the 22<sup>nd</sup> March.

The funds will therefore be applied by the school for specific interventions in the summer term 2017.
