Dear Parents and Carers

Humber Region Economics and Business Visit - April 2024

The Economics and Business departments have arranged a residential visit to the Humber region from Wednesday, 10th to Friday, 12th April 2024.

The Humber region, which is situated around Kingston upon Hull by England's North Sea Coast between London and Newcastle, has experienced significant economic regeneration and expanded international trade, thanks to the government's 'Levelling Up' agenda. The visit will include the UK's second-largest freight port of Immingham and the fish auction at Grimsby Fish market. Experienced professionals, whose industry sectors significantly contribute to the Humber's wider regional economic growth and employment structure will host our visits.

The cost of the visit is **£65.00** which covers all transport, half-board accommodation and all excursions. Students will need to bring some spare money for snacks or minor personal expenses. This visit is for Years 12 and 13 students who study Business and Economics.

Due to the staffing ratios required for residential visits, **spaces are limited to 10 students** and will be allocated on a first-come first-served basis. To secure a place for your child, please make your payment of £65.00 via **ParentPay** www.parentpay.com as soon as possible, but by **Sunday, 17th March 2024** at the latest.

Payment Required	Payment deadline
£65.00	Sunday, 17 th March 2024
