Archbishop Tenisons C of E High School New PE Kit - September 2024

The PE Department is delighted to announce that as of September 2024, there will be a new PE kit for pupils at our school.

A letter will be going out on Friday 5th July explaining the process of buying the new kit and any FAQs will be answered in this.

School uniform will be still available from Hewitts but the new PE kit will be sourced online from an external website. Samples will be available to try from Monday 8th July and purchases can start in early August.

In the mean time, if you have lost or need to purchase new PE kit, please do give a note to your child at the start of the PE lesson explaining this and some alternative kit to wear for the PE lesson or purchase a second hand kit for a huge price deduction from the school office.

In the meanwhile, if you have any questions regarding PE kit, please do email herbl@archten.croydon.sch.uk
